## Live Auction Items Continued. . . .

### "No Wine Before Its Time"

Here is your chance to acquire an instant top tier collection of wine. No less than 24 bottles will be included in this exciting new Live Auction item!

### New Feature Added

We are happy to announce a tasty twist to the ever popular "Principal for a Day" Live Auction item. Not only will your child be the boss of the school, they will have the honor of treating their entire class to a pizza lunch!

### The Rivalry Continues!

With one game at Wrigley and the other at U.S. Cellular Field, partake in Chicago's favorite summer pastime by attending **two** Cross-Town Classic games!

## Introducing the STS Annual Appeal

We are excited to announce the first STS Annual Appeal! In the years that the school has a fund-a-need, the money generated from the Annual Appeal will be directed toward that need. In years where a need has not been identified, such as this year, the money will be used for unexpected expenses such as building repairs, contributions to tuition assistance on an as-needed basis, or to build a cushion for miscellaneous expenses that are not funded elsewhere. Please consider making a donation to the first Annual Appeal at its debut at the Gala on March 6th!

## Help Needed In the Following Areas

We are steadily filling the positions needed to ensure a successful event, but are still in need of volunteers for the following:

- Choice of Live and Raffle Basket ticket sales
- Sunday morning clean-up

Please let us know if you are able to help.

## Reminders

- As the auction book is **going to print on February 19th**, please try to have all donated items and ads in by this date.
- **Green & Gold RSVP 's are due February 22, 2010.**
- When you send in your RSVP, **remember to purchase your Choice of Live raffle ticket** for a chance to win the Live Auction item of your choice.
- It is not too late to add your cutie patootie to the **"Here's Looking At You, Kid" wall!** The order form can be found on the Green & Gold link to the STS website.
