Chances to Win a Live Auction Item Increase

The excitement surrounding the Live Auction is building with the opportunity for more people to participate in it through the **Choice of Live** raffle. The **Choice of Live** lets you purchase chances at \$100 each to win the Live Auction item of your choice. The winning ticket will be drawn at the beginning of the Live Auction and the winner will choose any one Live Auction item. A minimum of 100 tickets must be sold to validate the raffle. Consider joining together with friends to purchase several tickets to increase your chances of winning group-type items: tickets to baseball games, gourmet dinners cooked in your home, golf outings, and more. The Live Auction committee is opening the **Choice of Live** to all families—even those who are unable to attend the Gala. A list of all the Live Auction items will be included in next week's Gazette with instructions on how to participate. Can you feel the excitement building?!
