Green & Gold 2010

The Green and Gold Gala is St. Theresa's largest annual fundraising event. It was started 20 years ago to raise funds to support the school's general operations and to finance special projects. In addition, a portion of the money raised last year went to support Tuition Assistance and to an Emergency Fund. Though the primary purpose of the Green and Gold is to raise money for the school, it is also a fantastic evening where parents, teachers, administration, parishioners and friends unite in support of each

other and our common goal of providing the best education possible for our children. The evening begins with a cocktail reception followed by dinner, and includes silent and live auctions, basket and other raffles, music, and lots of fun and laughter. **Green & Gold 2010 will be held Saturday evening, March 6th, at the Meadows Club in Rolling Meadows.** Please mark your calendars to attend this wonderful celebration in support of our school!

2010 Theme Is Announced

Welcome to "Casablanca"! This 1942 classic movie starring Humphrey Bogart and Ingrid Bergman will provide the backdrop for a night of festivities with a Moroccan twist.

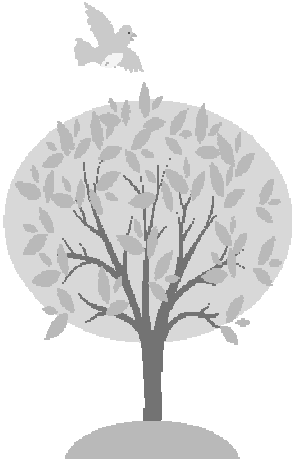

"Here's looking at you, kid." -- Bogart's most famous line is most appropriate for our school fundraiser!

Who Is Chairing This Event?

We would like to take the opportunity to introduce ourselves as the couple who agreed to chair the 2010 Green and Gold. With a first grader, Grace, and a sixth grader, Rachel, this is our third year at STS. We also have an older daughter, Lauren, who attended eighth grade at STS and is currently a sophomore at Carmel Catholic High School. Though originally from Nebraska, prior to moving to Hawthorn Woods in 2007,

transfers have taken us to Nashville, TN and Lexington, KY. We chose to send our daughters to St. Theresa because the school offered what we were looking for: academic excellence in a Christian environment. We are honored and humbled to be chairing this year's Green and Gold and look forward to working with many of you in contributing to the success of this event and ultimately to the continued success of St. Theresa School.

Gazette Goes Paperless

Please note that this issue will be the only paper copy of the Gazette, the main mass communication tool for the Green & Gold. Future issues will be announced in the Principal's Weekly Newsletter and posted

directly to the Green & Gold section of the STS website. You can access the Gazette at www.sttheresaschool.com/greenandgold.htm or by clicking on "Green & Gold" under the Development tab from the STS homepage.

Many Hands Make Light Work

The success of the Green & Gold is heavily dependent on the many individuals who graciously give of their time, talent and treasure. Attached you will find a volunteer sign-up form. Whether you are new to the school, a new volun-

teer, or a veteran Green & Gold volunteer, please carefully review this form and consider where you might be able to help. With over 300 people traditionally attending the Green & Gold, there is need for many volunteers of varying talents and time com-

mitments. Thank you in advance for your prompt response and volunteer commitment.

We cannot do great things in this life; only small things with great love.
