Dear St. Theresa School Parents:

On March 6, 2010, St. Theresa will host its 20th annual Green & Gold Gala. While much has changed over the years, the ultimate purpose of the Green & Gold has not. Though every expectation is that "Casablanca" will be a festive and entertaining night, the true objective of this evening is to unite as a community in raising money to help build a better future for our children.

As Lee Iacocca wrote in his 2007 book, *Where Have All the Leaders Gone?*, 'Whether it's building a better car or building a better future for our children, we all have a role to play.' Likewise we, as parents, all have a role to play in reaching our minimum Green & Gold fundraising goal of \$100,000.

As in the past, both Live and Silent auctions will be a part of the evening's fundraising activities. Your help in contributing and/or procuring items or services is not only appreciated, but essential to the success of our auctions. If you are in need of contribution ideas, please see the below "Wish List". When making a donation, please complete the Procurement Form found on the back of this letter and attach it to your donation. Donations can be delivered to the Green & Gold Room or given to Denise Kelly in the school office. If you are procuring an item, please print the Procurement Form found under the Green & Gold News link on the STS website and give it to the donor to complete.

As we are contemplating a fun new twist that requires some lead time, please contact us as soon as possible if you are considering making a donation to the Live auction. Note that we are especially in need of Get-Away Vacations and/or Staycations. If you have a condo, vacation home, time-share, etc. that you would consider donating the use of, it would be greatly appreciated.

On the bottom of the Procurement Form you will notice a section for advertising. Please consider placing an ad in the auction book for the company you own or work for, or ask your business associates, friends, or the retailers you frequent if they would be willing to support our fundraising efforts by purchasing an ad.

Whether you choose to donate an item or service, place an advertisement or make a cash donation, please know that your generosity is greatly appreciated. *Thank you for playing your role and contributing to the success of Green & Gold 2010!*

If you should have any questions, please feel to call us at 847-704-0551 or send an email to our attention at STSGreenandGold@comcast.net. ~ Ken & Lori Engel, Chair Couple
