## GREEN & GOLD GALA 2012

Thursday, January 12, 2012

Dear St. Theresa School Family,

My name is Bill Maniscalco. My wife Wendi and I are chairing this year's Green & Gold Gala, which will be held April 14<sup>th</sup> at the Sanfilippo Estate in North Barrington.

As many of you know, this is an absolutely incredible location and well worth the price of admission. You can see a preview of the venue by visiting [www.placedelamusique.org](http://www.placedelamusique.org). Additionally, you can stay up to date on the progress of the event by visiting the soon-to-be updated [www.sttheresaschool.com](http://www.sttheresaschool.com). We will also keep you updated through the PA newsletters.

Green & Gold is in its 21<sup>st</sup> year and has become a very important part of our school's budget. We currently rely on this event (and supporting events) to contribute nearly \$200,000 to the school's operating budget. Without a successful Green & Gold, our tuition payments would significantly increase.

### **How can you help make this year's Green & Gold successful?**

1. Make sure you attend the event. We promise a wonderful time!
2. Bring / Invite friends, family and colleagues.
3. Volunteer your time. We have many roles where we could use help.
4. Donate money.
5. Donate auction items such as sport tickets, gift certificates, artwork, or gift baskets.
6. Organize a fundraiser.
7. Spread the word!

In order for us to reach our goal, we need everyone's help. Please attend the kick-off meeting on Tuesday, January 17<sup>th</sup> in the Pauline Center to hear about the many volunteer opportunities. If you cannot attend, please contact us even if you have only a few hours available to help. Thank you for choosing Catholic education and thank you for entrusting your kids to St. Theresa School. Our school has been educating children for nearly 60 years. Let's together make sure that St. Theresa School can continue to provide Catholic education for years to come.

Please contact us with any questions/feedback, or offers of help at:
